

Curriculum Vitae

Name: Mohammad Rashidul Hasan

Position: Procurement Specialist

Professional Summary

Mohammad Rashidul Hasan is a seasoned procurement professional with over 18 years of experience, including 15 years in procurement and contract management. He has served as National Consultant (Procurement) under World Bank-funded projects, Procurement Specialist for the Bangladesh Environmental Sustainability and Transformation (BEST) Project, and Junior Procurement Consultant for ISPP–JAWTNO. His expertise includes preparing procurement plans, bidding documents, RFPs, evaluation reports, and contract management in line with PPA 2006, PPR 2008, and donor guidelines. He has hands-on experience with e-GP, vendor negotiations, and performance monitoring. Mr. Hasan combines advanced academic training (MBA, ACBA) with international-standard certifications in procurement and contract management, making him highly capable of managing complex, donor-funded procurement operations.
